Learn how to set up EFT for payables in Dynamics GP, set up vendors for payments via EFT, and create EFT files for your bank.

Upcoming Webinars

Teams and To-Do

When you have a place to create and make decisions as a team, there's no limit to what you can achieve. Teams brings everything together in a shared workspace.

With Microsoft To-Do you can create lists for anything you want: work, school, groceries, movies, or household tasks.

Quick Tip Tuesday

This month's GP tip is going to help all of those users who have GL to sub-ledger discrepancies. Whether those differences are in the AR, AP, Inventory or Bank modules the built-in Reconcile to GL utility is a great place to start when attempting to discover what those discrepancies are.
