

Most of you know Ian Richardson from the Prophet Team. What you may not know is his daughter Alyssa was born with Spina Bifida. Last year Alyssa started playing Sledge Hockey for the first time, and she was pretty good at it. So good in fact she was asked to play for Team Manitoba in June of this year.

This past August Alyssa tried out for the Canadian Women's National Team and made the team! Needless to say Ian is very proud and so is his Prophet Family.

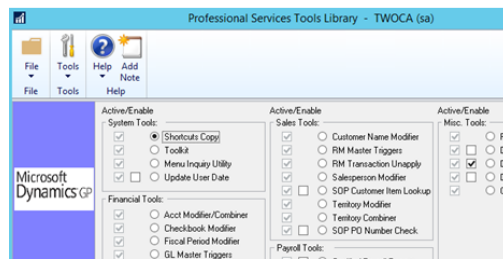

## Congratulations Alyssa!

## Professional Services Tools Library for Dynamics GP

Since **March 26, 2012**, Dynamics GP has offered the Professional Services Tools Library (PSTL) at no charge. It's a powerful set of tools allowing users to perform various tasks.

## Quick Tip Tuesday

### Changing Company from the Home Page

Often we see GP users restarting GP when they need to change which company they are logged in as. However, there is a simple trick to changing the company right from the home screen.

## Exchange Server 2010 (all editions) Windows 7 and Server 2008 are near End of Life

On January 14, 2020, support for Exchange Server 2010 (all editions) Windows 7, Windows Server 2008, 2008 R2 and Small Business Server 2011 will end. That means the end of regular security updates.

We're here to help you migrate to current versions for greater security, performance and innovation.
