

## Turn off Posting Journals and Printing Journals with Dynamics GP

Anyone who is processing transactions in Dynamics GP will probably find that when they choose to post their transaction they are prompted to print their 'posting journals' either to a printer or to the screen.

In many cases there are multiple journals to print and this can be both a waste of time and a waste of paper.

The graphic features the Prophet Business Group logo in the top left corner. The word 'LEARN' is prominently displayed in large, bold, grey letters. Below it, the words 'CREATE' and 'SHARE' are stacked in a smaller font. A large red play button icon is centered over the text. To the right of the play button is the Dynamics 365 logo, which consists of a blue square containing a white stylized 'D' shape, with the text 'Dynamics 365' below it. At the bottom of the graphic is a silhouette of a city skyline at night with lights. The title 'Modifying Windows and Building your own D365 App' is written in white at the very bottom.
