

## May 2020 Newsletter

### 25th Anniversary

May 16th marked 25 years since Prophet Business Group first opened for business. This is a significant milestone in our company's history and one worth recognizing. Our success over the years has always been due to our clients, our partners, and employees.

And while we are unable to celebrate in the way we had hoped, this anniversary provides us an opportunity to reflect on our collective achievements. From the very start we believed in our people and the services we deliver. That belief remains true today.

Thank you for sharing our journey and here's to a bright future together.

### Microsoft Office 365 Name Changes

As of April 21, 2020, the official branding of Microsoft's productivity suite has changed from Office 365 to Microsoft 365. This change is to product names only and not to functionality.

A promotional banner for Prophet Business Group. The top left features the Prophet Business Group logo. The main text reads "LEARN CREATE SHARE" in large, bold, grey letters. To the right is a large orange cloud shape containing the Office 365 logo and the text "Office 365". A large red play button icon is centered over the text. The bottom of the banner shows a silhouette of a city skyline at night. At the very bottom, the text "Microsoft Teams Tips and Tricks" is written in white.
