

We're Moving to a New Location

It is with great anticipation and a pleasure to let you know that we will be moving our office to a new location on Sherwin Road. For the past year, we've been searching for the ideal space and are happy to tell everyone that we've finally found it. Details to follow in our May Newsletter.

Should you have any questions feel free to contact us.

Power BI and Microsoft Dynamics GP 2018

Microsoft's Power BI has come a long way over the last year. Microsoft is continually making improvements to the product, releasing new enhancements on a monthly basis. Power BI is a great tool that helps make sense of your data.

Setting Up Dynamics GP EFT for Payables

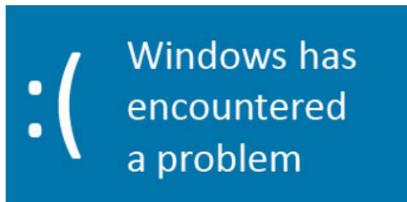

We are often asked to assist with setting up Electronic Funds Transfer (EFT) payments in Dynamics GP. Processing EFT payments rather than cheques will save time and it can be implemented very quickly. Once set up, the processing of EFT payments is almost the same as processing cheques in the system so your GP users will find it very easy to use.

Microsoft Delays Major Windows 10 Update

Microsoft was planning to launch a major Windows 10 update last week to fix the BSOD issue. The software giant had targeted April 10th as an internal target to release the update, but a last-minute issue delayed the release.
