

Upgrading Microsoft Dynamics GP

At Prophet we have the ability to track what version of GP each of our clients are currently using. When the time comes, we will be reaching out to you in order to schedule a GP upgrade.

KEY2ACT Synergy 2018 Conference

Near the end of April, Prophet flew two consultants to sunny Orlando to attend KEY2ACT's Synergy2018 conference. The Synergy conference covers all of KEY2ACT's products, and includes breakout sessions, hands-on training, and some major announcements.

Bookmarks in Power BI

One of the more interesting features released for Power BI has been bookmarks. Bookmarks allow you to organize the presentations of your report by storytelling or creating report navigation.

Important Security Information and Routers

The linked article references information regarding a known security issue with some routers.

Please note:

As a Prophet client we want to assure you that you are not at risk, as we do not use any of the routers referenced.

However we want to pass on this information as you may know other businesses or organization that could be affected.
