GP Quick Tip – November 2018

Are you finding that your sub-ledgers are not matching your General Ledger on an ongoing basis? Well here is a tip for helping minimize those discrepancies. Simply navigate to the Account Maintenance window and uncheck the Allow Account Entry checkbox, this will disallow the ability to post directly to any control account. (AR, AP, Inventory, etc.)

Have a quick tip you would like to share?

Windows 7 End-of-Life: Are You Ready?

End of life for Windows 7 is rapidly approaching. After January 14, 2020, Microsoft will no longer provide security updates or support for PCs running Windows 7. That may seem far off, but the clock is ticking.

If your organization needs help transitioning to Windows 10 [contact us today](#).
